

CURRICULUM VITAE		
Name, Surname	Dr. Orhan ERCAN	
Occupation	Surveying Engineer PhD.	
Date of Birth	20-04-1959 – Ankara / Türkiye	
Marital Status	Married with 2 daughter	
Language	Turkish (native language) and English	
Education	1997	PhD. - YTU - Geodesy and Photogrammetry Engineering
	1988-1989	Photogrammetry PA at ITC – The Netherlands
	1988	MSc. - YTU - Geodesy and Photogrammetry Engineering
	1983	BSc. – KTU - Geodesy and Photogrammetry Engineering
Professional Experience	1977 - 1980	Geodetic technician at TKGM
	1984 - 2007	General Directorate of Land Registry and Cadastre; Surveying engineer at Dept of Geodesy Surveying engineer at Dept of Photogrammetry Surveying engineer at Besiktas Cadastre Office, Section Manager ; Department of Geodesy and Photogrammetry, Section Manager ; Dept of Research Planning and Coordination
	2000 - 2007	Project team leader ; “Land Registry and Cadastre Information System – TAKBİS-I”; 2000-2001, Member of TAKBİS-II ToR Preparation Commission, 2005 Project Coordinator ; Marmara Earthquake Emergency Reconstruction Project (MEER), Sub Component A-2, Cadastre Renovation”, 2001-2004, Funded by World Bank Project Manager ; “Densification of Geodetic Network in Marmara Earthquake Region”, 2003-2004, Funded by World Bank Executive Project Coordinator ; “Agricultural Reform Implementation Project (ARIP)”, Sub Component A-2, Cadastre, 2004-2007, Funded by World Bank Co-Author; e-transformation Turkey - Short Term Action Plan, number:47, “Preliminary Study on establishment of Turkish National Geographic Information System” 2004 Co-Author ; e-transformation Turkey - Short Term Action Plan, number:36 “Preparatory works on constitution of Turkish National Spatial Data Infrastructure”, 2005 Project team member ; “Establishment of Continuously Operating Reference Stations (CORS) and Determination of Transformation Parameters”, 2005-2007, Funded by TUBITAK

Other Professional Experience	Cadastre Vocational School ; part time Lecturer for Surveying III, Cartography (1989-2004)
	Scientific member ; the European Organization for Experimental Photogrammetric Research, Commission C – OEEPE (1992-1995),
	Afyon Kocatepe University; part time Academic Staff for the course of Photogrammetry (1996-1997)
	Atılım University; part time Academic Staff for the courses of Fundamentals of Surveying CE 209, Principles of GIS CE 414 / 512, Digital Mapping Techniques CE 511, (2001-....)
	Jury member of GIS/GPS/RS related MSc Thesis at Geodetic and Geoinformatic Technologies Department at Middle East Technical University (2000-2002)
	Member of Joint Working Group of FIG (International Federation of Surveyors); Low Cost Surveying Techniques And Technologies For Developing Countries (2003-2005).
	MSc Thesis Supervisor ; Change Detection In Density Populated Urban Area And Rural Area Using High Resolution Satellite Image, Atılım University, (2005)
	MSc Thesis Supervisor ; Design and Implementation of Earthquake Management Project, Case Study : Körfez Municipality, Atılım University, (2005)
	32 papers (12 of them international); related photogrammetry, cadastre, LIS/GIS
	Interministerial Committee for the Coordination Mapping Issues ; Secretary of Planning Commission Member of Scientific Commissions (1990-2007)
	Chair of Commission II for Turkish National Union of Photogrammetry and Remote Sensing (TUFUAB) (1994-2007)
	Turkish Chamber of Surveying and Cadastre Engineers ; Deputy Chair of International Affairs Commission (2005 -) Member of Cadastre Commission (2007 -) Member of GIS Commission (2007 -)
	Specialized Expert Committee Chair of Surveying and Mapping Working Group; 8 th 5 Years Development Plan, State Planning Organization, 2001
	Involved to 5 panel discussions as a speaker.
